<b>Descripción del programa:</b> <p>En este programa se realiza una entrevista en inglés a Harriet Robarts, auxiliar de conversación de nacionalidad británica que trabaja en nuestro centro el curso actual, la cual se centra especialmente en la práctica oral del idioma a fin de que nuestros alumnos mejoren sus habilidades orales en la lengua extranjera.</p> <p>Sin lugar a dudas, su labor es muy importante para las clases de idiomas, ya que se trata de un recurso docente extraordinario en el proceso de aprendizaje de una lengua extranjera. Su presencia en el aula despierta en los alumnos la curiosidad y motivación por aprender inglés, además de aportar una visión directa de la cultura y de la vida actual de su país.</p> <p>Por todo ello, un grupo de alumnos de 4º de ESO A, pertenecientes a la Sección Bilingüe, decidieron realizarle una entrevista para llegar a conocerla mejor y de ese modo profundizar también en su labor como auxiliar de conversación en el centro. Ni que decir tiene que gracias a este proyecto los alumnos mejoraron tanto la comprensión como la expresión oral en lengua inglesa.</p>

Bloque 2	<p><b>Lucía:</b> We wanted to do a different interview, so we´re going to play a little game. We are going to ask you some questions, but ...  <u>Thriller sound effect</u></p> <p>you´re going to have some time to answer them ( a specific number of seconds or minutes). If you are able to answer in this period of time, you win, you´ll get one point. However if you can´t, we´ll get the point. 	<p><u>Ana</u>: Harriet, are you ready?</p> <p><u>Harriet</u>: Yes, I am.</p> <p><u>Ana</u>: Then, let's start.</p>		
	<p><u>Who wants to be a millionaire tune</u>  <u>Miguel Ángel</u>: Question number 1:</p> <p>Can you describe yourself ( your age, where you are from, your hobbies...)? You have 25 seconds.</p> <p><u>Harriet</u>: I am 27 years old and I come from a town called Barnstaple, in Devon. It's in the South West of England and is a little bigger than Villafranca de los Barros. Devon is very rural, with lots of fields and forests, so it is very similar to Extremadura. My hobbies include reading, writing, travelling and playing video games</p> <p><u>Bomb sound effect</u></p> <p><u>Miguel Ángel</u>: Which is your favourite video game?  <u>Harriet</u>: That's hard to answer, but I would say my favourite series is Pokémon. I'm a competitive player, so I compete in competitions in the UK.</p> <p><u>Miguel Ángel</u>: OK, I see.</p> <p><u>Ana</u>: Question number 2  <u>Who wants to be a millionaire tune</u></p> <p>What did you study at university and why? You have 30 seconds  <u>Harriet</u>: At university I studied English Literature</p> <p><u>Surprise sound effect</u></p> <p>I love books and I'm passionate about writing, so for me it was a good opportunity to learn and develop my interests. My second degree was in Classics, which is the study of the literature and history of Greece and Rome. It was really interesting.</p> <p><u>Bomb sound effect</u></p>	<p><u>Who wants to be a millionaire tune</u></p> <p><u>Bomb sound effect</u></p> <p><u>Who wants to be a millionaire tune</u></p> <p><u>Surprise sound effect</u></p> <p><u>Bomb sound effect</u></p>	

**Lucía:** Question number 3  
*Who wants to be a millionaire tune*

Why did you decide to come to Spain and work as a language assistant in a Secondary School? You have 15 seconds.

**Harriet:** I decided to come to Spain because I really like Spanish culture and I have always wanted to learn Spanish. I have also always wanted to teach, so this was a great opportunity for me.

*Bomb sound effect*

**Lucía:** Fair enough!

**Natalia:** Question number 4  
*Who wants to be a millionaire tune*

What is an English language assistant? I mean, which are your duties at school? You have 16 seconds

**Harriet:** This is a difficult question to answer. It really depends on the teacher. The main idea is for me to help students with their speaking and listening skills. In some classes I help the students prepare dialogues for exams, and in other classes I encourage the students to have a debate about a particular topic. I also sometimes play games with the students. It's a lot of fun and I hope it is useful for them as well

*Bomb sound effect*

**Natalia:** Great, that sounds interesting.

**Natalia:** Now we move on to question number 5.

*Who wants to be a millionaire tune*

What was your first impression of Villafranca de los Barros? What do you like about it the most? You have 20 seconds.

**Harriet:** My first impression was that it is hot! It was September, but it was much hotter than the UK, and the sunshine was fantastic. My biggest impression though was how friendly everyone is. Whenever I have a problem, there is always someone who wants to help. People make me feel at home here and that is wonderful.

**Miguel Ángel:** Time for question number 6

**Who wants to be a millionaire tune**

What do you miss the most about England?  
Be honest, please. You have 15 seconds.

**Harriet:** I miss my family and friends at home a lot, but to be honest I also miss British food. Spanish food is delicious, and I know that British food does not have the best reputation, but some of it is good, I promise! Especially the chocolate.

**Bomb sound effect**

**Ana:** And now question number 7.

**Who wants to be a millionaire tune**

We are about to have our Christmas holidays.

**Jingle bells song**

What are you going to do this Christmas?  
You have 20 seconds.

**Harriet:** I love Christmas! It's my favourite holiday of the year, no question. I'm spending Christmas Day with my aunt, and then I'll see other family members and friends to celebrate with them. I'm also going to London before the New Year, which will be fun. London at Christmastime is beautiful. Very cold, but very festive with the lights and decorations. In general though, I'm looking forward to doing a lot of relaxing – eating good food, watching Christmas films, sleeping, and chatting with everyone.

**Bomb sound effect**

**Ana:** **Awesome!** The interview is over now, and after counting all the points, I have to say that Harriet gets ....

**Drum roll**
