

Musical Reviews : DJ Avicii

Introduction:

Today we premiere Musical Reviews in Radio Gaga for IES Gabriel y Galán in Montehermoso.

We begin with “Stories” by the Swedish DJ Avicii. The record is one of the last records by this artist before he died.

The record was released in the year 2015 and it entered the Top 20 charts in several countries.

The Music:

Avicii showed different types of music in this record. It's time to stop calling Avicii EDM. The dance icon turns to a multiformat crossover with “Stories”.

It is a lively and upbeat álbum, almost all the songs tend to late 90s dance pop, but we can also find country and reggae as well as ballads.

Opinion and recommendation:

We recommend “Stories” by Avicii from Radio Gaga if you want to find fantastic dance songs, interesting and modern country and reggae themes and relaxing ballads too.
