

Singer/Group: Lil Peep. Noa Barroso. 3ºESO A.

Record/ Song: Hellboy

Intro-The Music:

Lil Peep is a singer who devotes his songs to expressing his feelings, speaking about his depression, about love and about drugs taking, this drew the attention of people.

The figures:

The mixtape Hellboy was released on 25th, September 2016 and it entered the top 50 charts in several countries. It contained the song "Girls" released after the death of Lil Peep in November 2017 and entered the Top 10 charts in several countries.

Opinion/Recommendation:

I recommend this singer, above all because the topics he sings are very interesting for teenagers, many teenagers feel the same and have similar problems. These songs can be a great support for them.
